## HISTORIC & STRATEGIC LOCATION

The ILIS CONGRESS CENTER is the new hub in an area with great momentum thanks to new development and infrastructure projects as the major road projects and new highways, the new port of Patras and the airport of Araxos.

Located at a strategic area near the plain of Iiia and 32km away from the landmark of the archaeological site of Olympia, the ILIS CONGRESS CENTER is less than 3 hours by car from Athens, while it is also connected to the Adriatic Sea.

# SUSTAINABILITY

- **GEO THERMAL ENERGY**
- **THERMAL FACADES**
- **HEAT PUMPS**

ILIS CONGRESS CENTER is a truly sustainable facility that benefits from the use of geothermal energy, thermal facades, and heat pumps and from a 1MW photovoltaic power station on the roof of the facilities.

ILIS CONGRESS CENTER is proud to be the first energy self-sufficient conference center in Greece that has been built by Greek employees and mostly from Greek suppliers.

**SELF-SUFFICIENT  
CONFERENCE CENTER**

## 1MW PHOTOVOLTAIC POWER STATION

# HOSPITALITY FACILITIES

ILIS CONGRESS CENTER is ideal for events of two or more days as it is able to accommodate a significant number of participants in Skafidia, Pyrgos, and the surrounding region. More than 5,000 beds are available and visitors can enjoy their stay in hotels of all categories and ratings.

The ILIS CONGRESS CENTER is within walking distance of Aldemar Olympian Village. The grand resorts of 682 rooms provides a variety of accommodation options, modern amenities and facilities, fully covering the hospitality needs of every conference or event in Ilis at the minimum distance.
